Dear Michael,

Thank you for your support of Digital Kids Foundation Inc. This sample receipt shows the format we can use to acknowledge an in-kind donation for administrative and donor communication purposes.

Please note that this document is a prototype only. It has not been issued as an official receipt and does not confirm that a donation was received, accepted, or recorded by the Foundation.

ACKNOWLEDGMENT & TAX INFORMATION

Goods or services provided in exchange: None indicated in this prototype.

As a general practice, the Foundation should describe noncash property but should not assign a monetary value to donated items. Donors should rely on their own records and professional tax advice where appropriate.
